WHAT OUR PATIENTS ARE SAYING ABOUT US

"I was referred to Dr. Roletto and Oral Surgery Center of Portland, by my regular dentist because finally for dental implants. I went in for the initial consult and was absolutely floored by their patient care and services. The staff is so kind and welcoming and Dr. Roletto himself is a great guy and clearly loves what he does, he is very kind and willing to answer any questions/address any concerns you may have. The atmosphere in the office is just so comfortable and the dental/surgical work they do is top of the line. To top it all off, that evening I received a phone call from Dr. Auzins just checking in to see how I was feeling after the procedure. Absolutely above and beyond! " ~ Jessie M.
